Akeley Allotments Report March 2009

Nothing of note happened this year and due to the wet summer not the best of growing years.

All seems to be ticking over nicely and all the allotments are taken. Although one or two do not look as if they have been fully worked and it will be interesting to see if these contracts are renewed next month.

There are no names on the waiting list at present so if someone does not renew next month an advert will be put in the Village Voice.

I will be sending the renewal letter out by the end of the month in order to get the payments in on time
