

Chrissie's Owls

This event was held in conjunction with the Custom Van weekend on Sunday 29 June. Chrissie's owls are an organisation, which travel the county flying and showing their owls to the public. The social group provided cream tea refreshments during the afternoon which was very well attended. If this event is run again then it is important that everyone is aware that when the event starts and the owls are prepared to fly the entrance to the hall is closed as some people could not enter once it had started.

A Perfect Village Sunday 2008

The social group applied via the Parish Council to host this event again but unfortunately our bid was not successful.

Akeley Village Pig Roast

This traditional annual event held on Saturday 12 July, is our biggest by far and takes the most amount of organising. This year for the first time we had the pig delivered ready to carve which saved a lot of time. We also included a dessert into the ticket price which proved very popular. Ticket sales were up on last year and it was a very enjoyable event. Thanks go to John and Anita for providing with entertainment and to Anne and Mike for manning the BBQ.

Mobile Skate Park

On Saturday 30 August the Social Group arranged for the AVDC mobile skate park to be on the village hall car park. The children who did attend this event really enjoyed themselves, but the event as a whole was quite poorly attended. The reason for this could be that it was the last weekend of the school summer holiday and people were away. We would still like to host this event again but not in holiday time. Any feed-back from the children or families will assist us in running another event in 2009.

Come Dancing in Akeley!

Monday 29 September saw the first lesson of our own village version of strictly come dancing! Every other Monday Jean teaches ballroom dancing for one hour. This event was totally
